# The Josephine House

## Travel news and talking about the Josephine House

Dear friends,

Many of you know that we have been traveling in the States since January 7. We have had many opportunities to present the ministry of the Josephine House. This has been a challenge for us as we report to those of you who already support the Josephine House, and also encourage others to join with us in this ministry. Below is the doll who so ably "represents" the Josephine House when we travel.

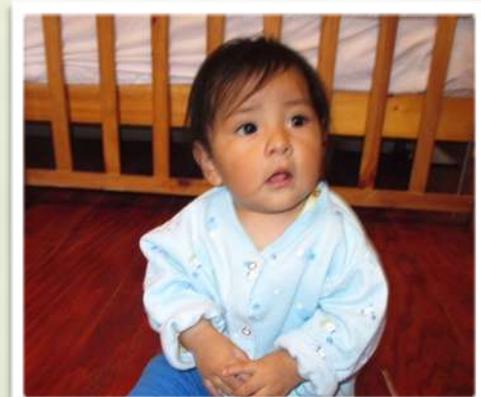

While we have been gone, the Josephine House received, on February 2, two new babies. **Zaid** was four days old when he came to us. He looks to me like he was

eating well! However, it seems that his mother has eight other children and just could not feed one more.

**Adael** was ten months old when he arrived. His family is so dysfunctional that he was living with a grandmother. He was very demanding when he arrived but has since settled in well.

Friday nights are for .....pizza and special devotions with the Henson family! The kids love that time and look forward to it each time.

**Thank you for your prayers and support to make this possible!**

Warmly,

**Ruth**

## How to Pray for Orphans

Pray for children who face life without their fathers and/or mothers, that they would be loved and protected, and grow up with physical needs met, a sense of belonging, and to know the love of God.

Pray for the care-givers, social workers, legal staff and officials serving orphans and children in need.

Pray for The Josephine House and thank the Lord for His help and provision through each person who has supported us with prayer, time, and financial gifts.

Pray for the Church worldwide to grasp and reflect God's heart for adoption and orphan care.

Pray for the families who have adopted children.

Pray for personal guidance in how to reflect God's heart through action, advocacy and prayer for orphans.
